

Thanks for downloading this map! Use it to draw, paint, or collage a new shape for the town of Hastings, as you think might look in 2050, as sea levels rise. Then scan it, or take a photo of it on your phone, and email it to: [admin@mslprojects.co.uk](mailto:admin@mslprojects.co.uk). Here's a map of central Hastings-do you think it will change a lot?

We aren't awarding any prizes, but we would love to see interesting and creative future visions for Hastings. We'll show your ideas to our experts and we'll feature them on our website, in our social media and during our Discovery Day event online-if you send us you ideas by 8 March, 2021. Thanks!
